Boutique
CAPITAL

Boutique Capital is an Australian Financial Services Licensee (AFSL) providing fund incubator services and beyond to established international fund managers and early-stage domestic fund managers. Boutique Capital advise, prepare, launch, operate and administrate successful, wholesale funds management businesses.

World-class wholesale structures with fixed cost solutions. The resources, infrastructure and industry experience to establish and grow investment businesses in structures such as Managed Investment Schemes (MIS), Unit Trusts, ESVCLPs, SPVs and Bare Trusts. We deliver bespoke solutions and services based on the client's needs.
